The end of semester one is fast approaching and student reports are currently being written. Reports are due to be sent home during the last week of term so please take time to read about your child’s progress and celebrate/discuss their progress with them.

Our athletics carnival is taking place on Wednesday and we hope to see many parents there supporting their child/children. We start the day at approx. 9am with our sprints which take up most of the morning. After break our senior students participate in field events while our junior students have their tabloid sporting events on the top oval. The afternoon will see the finals of our running events. Please ensure your child has a sun safe hat, suitable shoes for running and a drink bottle to enable them to safely enjoy the day.

Our covered walkways have been completed and our junior playground update will be completed this week so when you come on Wednesday have a look at the new look playground and walkways.

This week we welcome to our school Mr Greg Miller, our new behaviour management teacher and Mr Scott McKavanagh who is replacing Ms Thomas while she is on sick leave.

One of our school expectations is Be A Learner and to do that students must be at school so please ensure your child is at school unless sick. Learning continues even though we are now entering the last two weeks of semester.

STUDENT ABSENCE LINE

Please call if your child is absent. It is an answerphone and the line is available 24/7.
As you can see the Chappy Challenge result for the parade on 23rd May was for me to dress up like a girl with makeup. A big thank you to all the Year 7 girls who helped me to look so pretty! We raised a total of $20 dollars that will go towards supporting chaplaincy programs and events within the school and community.

Thank You to all those students, parents and teachers who contributed to the Macleay Island Chaplaincy Service through this fundraising event.

“Car Boot Sale Raises Funds for Chaplaincy”
We held our first of 3 Car Boot Sales to raise funds for Chaplaincy at the school on Saturday 7th June from 7:30am – 12pm. Although we didn’t spend a lot of time promoting this event it turned out to be successful, raising over $200 for the Macleay Island Chaplaincy service through stall registration fees and the P&C sausage sizzle. A big thank you goes out to all those involved with organizing and running the event. There will be 2 more held for this year, in Term 3 (August) and another in Term 4 (November). Stay tuned for further information in the coming weeks regarding these events and come out to support Chaplaincy and your school community!

Cheers, Chappy Keith
