**Please Note - School will operate this Friday as it is NOT a public holiday for us.**

The last session of our Pre-Prep programme concluded today. We also held our parent information session and we would like to thank those parents who took the time to come and discover what is in store for their child next year.

Swimming lessons finish next week and we would encourage all students who indicated they would be attending water safety lessons to ensure they attend the last lesson. We have received good reports of the effort students are putting in and about how much they are enjoying the lessons.

All classes are in the middle of end of year assessment and we would encourage all students to attend school to ensure they can deliver the best possible end of year results. Students are also reminded that school does not finish until 12th December so they should attend school until that day unless they are sick.

Classes for 2015 are starting to be formulated so if your child is not returning to our school in 2015 please advise the school office asap.

Book lists will be sent home during the week beginning 1st December and student reports will be sent home in the last week of school. If you wish to have an end of year interview with your child’s teacher please see them and make an appointment for the week beginning 1st December.

We hope you have marked the 11th December in your diary as we would love to see as many parents as possible at our end of year concert this year.

The winning students were presented with a certificate and a $10 dollar voucher for a free pizza from Mumma’s Pizza Café.

**Skype Peake** won the Junior School award and **Manica Nelson** won the Senior School award. There are still two more chances to be selected for the Chappy Challenge Award this term and we will be continuing with the Random Acts of Kindness theme to the end of the school year.
