

# Investing for Success

Under this agreement for 2017

Macleay Island State School will receive

**\$112,690\***

## This funding will be used to

- Develop an expert teaching team capable of collecting, analysing and discussing data to inform the teaching of reading
- Embed the elements and principles of effective instruction to help students make the maximum possible academic gains.
- Link learning with wellbeing.

## Our initiatives include

- Allocation of time and resources to facilitate data collection and analysis to make curriculum modifications for students in reading.
- Early Start implemented to monitor the progress of all students in literacy and numeracy and promote decisions about targeted support.
- Acknowledgment of the importance of wellbeing to the learning process and the provision of human resources to support responsive to the individual needs of students.

## Our school will improve student outcomes by

Employing equivalent of 1FTE teacher to provide literacy support to students achieving below minimum standard and those tracking towards U2B's in reading.	\$ 90,000
Purchase print & digital resources to assist teachers to embed the elements and principles of Explicit Instruction – Effective and Efficient Teaching ( Archer & Hughes) – an agreed upon research-validated, school-wide pedagogical framework.	\$ 2,690
Employ a Counsellor one day per week to support the wellbeing of students and assist teachers to embed wellbeing into the curriculum and teach it in the regular classroom.	\$ 20,000
