Under this agreement for 2014
MacLeay Island State School will receive $118,000

This funding will be used to

- Improve teacher capability through professional development and focused coaching in reading and numeracy
- Develop learning plans for any student who does not reach National Minimum Standard
- Provide more individual support for students through the employment of an extra teacher in P-2 area and redirection of teacher aide times
- Increase number of students in Upper 2 bands from 5.3% to 25% by 2015

Our strategy will be to

- Review numeracy pre and post test data every 5 weeks
- Review student reading goals every two weeks in year level meetings
- Evidence

Our school will improve student outcomes by
